WILLING to provide the item(s) herein RFP upon to other agencies (members) in System 66CCEPS Cooperative Purchasing, without substitution or deviation from specifications, size, features, quality, price or availability as herein set forth. It is understood that orders will be placed directly by the other participating agencies by separate contract, subject to the overall terms of the master Contract to be awarded by CCESC that no additional service or delivery charges will be levied except as permitted by these specifications.

NOT WILLING to extend prices to Other Agencies (members) as described. It is understood that this will not adversely affect consideration of this RFP with respect to the needs of CCESC (Lead Agency). In keeping with CCESC's commitment to providing cooperative pricing contracts for its membership, refusal to extend pricing to the co-op may result in a dual award to include an alternate vendor willing to extend pricing for the duration.
